We Work For You

We Work
Rock

4 yıllık detaylı ve titiz çalışma sonucunda satış, pazarlama, finans, imalat, hizmet ve uluslararası dış ticaret birimleri ile uğraşan Rockser A.Ş, 2018 yılında genç, dinamik ve modern bir şirket olarak faaliyete geçti.

Rockser Inc; Yeraltı hidrolik deliciler, DTH deliciler, hidrolik kırıcılar, elektrik, elektronik, hidrolik, mekanik, pinomatik, motor, filtre ve yürüyüş alt grup yedek parçaları ve servis alanlarında hizmet veren son derece deneyimli mühendis ve teknisyenlerle birlikte çalışan profesyonel bir kadroya sahiptir. Rockser Inc sektördeki tüm yenilikleri ve değişiklikleri takip ederek kendini sürekli güncelleyen bir şirkettir. Şirketimizin finans, satış-pazarlama, satış sonrası, uluslararası ticaret ve imalat departmanları faaliyetlerini modern dünyanın tüm gereksinimlerini göz önünde bulundurarak geliştirmekte ve müşterilerine bu ilkelere uygun olarak hizmet etmektedir.

Bir Rockser A.Ş olarak vizyonumuz, tüm müşterilerimizin bekleyenlerinin karşılandığı bir 'lider şirket' konumuna ulaşmak, yurtçi ve yurtdışındaki tüm müşterilerimize en yüksek kalitede eşit hizmet sunmaktır. Amacımız, uluslararası alanda tanınan, dünya standartlarında bir şirket olmak, ardından çağdaş yenilikleri takip etmek ve diğer şirketler tarafından örneklendirilen yeniliklerle öncülük etmek. Rockser A.Ş Kuruluşundan bu yana birlik ve bütünlük, anlayış, mükemmellik, sorumluluk, üreticilik vb. unsurlara dayanmaktadır. Bu değerler şirketimizde alınan her iş kararını yönlendirir.

Rockser Inc.
"Sizin İçin Çalışıyoruz"

As a result of 4 years of detailed and meticulous work, Rockser A.Ş is engaged in sales, marketing, finance, manufacturing, service and international foreign trade units were brought together and started operating in 2018 as a young, dynamic and modern company.

Rockser Inc; has a professional staff working together with highly experienced engineers and technicians who have served in underground - overhead hydraulic drillers, Dth drillers, hydraulic breakers, electrical, electronic, hydraulic, mechanical, pneumatic, engine, filter and hiking subgroup spare parts and service areas. Rockser Inc is a company continuously updating itself, following all the innovations and changes in the sector. Finance, sales-marketing, after-sales, international trade and manufacturing departments of our company are developing their activities taking into account all the requirements of the modern world and serving their clients in accordance with these principles.

Our vision as a Rockser Inc., is to reach the position of a 'leading company' in which all of our customers' expectations are met, giving equal service to all our customers at home and abroad with the highest quality. Our goal is to become a company recognized internationally, world-class, followed by contemporary innovations and pioneered by innovations, exemplified by other companies. Rockser Inc. , is based on elements such as unity and integrity, understanding, excellence, responsibility, creativity, etc. since its foundation. These values guide every business decision taken at our company.

"We Work For You"

Rockser Hydraulic Rock Drill & Drifter Alternative Spare Parts Manufacturing Unit Rockser Hidrolik Kaya Delici ve Drifter Alternatif Yedek Parça Üretim Ünitesi

Rockser hidrolik delici ve tabanca yedek parça atölyesi kendi işlerinde çok deneyimli operatörlere ve çok etkin bir makina parkuruna sahiptir. Yerüstü yeraltı delicilerde Atlas Copco, Sandvik, Tamrock, Furukawa, İngersoll Rand, Junjin, Everdigm gibi seçkin birçok delici markasına ait tabancaların ve makinaların tüm yedek parçalar tarafımızdan üretilmektedir. Rockser A.Ş üretim prosesi tamamen orijinal ürün baz alınarak gerçekleşmektedir. Açıklamak gerekirse öncelikle Orijinal ürünü resmi analiz kurumlarında yapılan testler sonucunda kullanılan madenin ne olduğu sertliğinin ne oldu öğrenildikten sonra Türkiye metal sektöründen ürünün imalatı için gerekli olan ham madde tedariki sağlanmakta daha sonra orijinal ürünün birebir ölçülerine göre teknik resmi çizilmekte uygunluğu kontrol edildikten sonra imal edilmekte ve daha sonra orijinal sertliği sağlamak için ısıl işleme gönderilmektedir. Ardın tamamlanan ürün orijinal ürün ile karşılaştırılıp kalite kontrolü sağlanmakta ve daha sonra ambalaj bölümünde gerekli koruyucu ambalaj kâğıdı ile vakumlandıktan sonra ve dayanıklı kutularla etiketlenip stok eklenmektedir. Tamir takımları diyaframları hidrolik elektrik elektronik ve pinomatik ekipmanları birebir orijinal ürünlerde kullanılan ürüne göre ithal edilip stoklarımızda bulundurmaktayız. İmalat konusunda bakiş açımız hızlı güvenilir dayanaklı avantajlı ürünlerimiz ile müşterilerimize en iyi hizmeti sağlamaktır.

Rockser A.Ş

"sizin için çalışıyoruz"

The Rockser hydraulic drill machine and drifter spare parts workshop has very experienced operators in their work and a very efficient machine park. All underground Jumbo and crawler rock drill machine and drifter spare parts for Atlas Copco , Sandvik ,Tamrock , Furukawa , İngersoll Rand , Junjin ,Everdigm ,Soosan are manufactured by us. Rockser A.Ş production process is based on completely original product. Analysis of the supplied original products are made by official laboratories. After the raw materials analysis, needed same original raw materials are supplied from Turkey metal producers or other producers in the World. After the technical drawing of the product is completed, the production process starts. The finished product is compared with the original product and the quality goes through the control, hereby Rockser manufactures the product same features and same quality as the original product for you.All repair kits, diaphragms, hydraulic, electrical, electronic and pneumatic equipments are imported and stocked according to the product used originally. Our aim in manufacturing is to provide the best service to our customers with reliable, durable and reasonably priced products.

"We Work For You "

Rockser A.Ş Hidrolik atölyesinde müşterilerimizin makinelerinin hidrolik bakım, onarım ve yeniden üretimine önem vermektedir. Ayrıca firmamız, hidrolik valfler, pompalar ve makinede kullanılan sızdırmazlık kiti gibi bileşenlerin her bir orijinalini temin ederek müşterilere gerekli hizmetleri sunmaktadır. Eaton, Parker, Vicker, Sun, Kawasaki vb. Markalı vanalar, hidromotorlar ve dişli pompalar firmamız tarafından tedarik edilmektedir.

İmalattaki amacımız güvenilir, dayanıklı ve uygun fiyatlı ürünlerle müşterilerimize en iyi hizmeti vermektir.

Rockser A.Ş
“Sizin İçin Çalışıyoruz”

In the hydraulic workshop, Rockser Inc. cares for the maintenance, repair and remanufacturing of hydraulic of our customers' machines. In addition, our company provides the necessary services to the customers by supplying the individual originals of the components such as hydraulic valves, pumps and seal kit used on the machine. Branded valves, hydromotors and gear pumps such as Eaton, Parker, Vicker, Sun, Kawasaki, etc... are supplied by our company.

Our aim in manufacturing is to provide the best service to our customers with reliable, durable and reasonably priced products.

Rockser Inc
“We Work For You”

Rockser A.Ş Elektrik ve elektronik atölyesinde çalışmalar müşterilerimizin makinelerinin elektrikli elektronik bileşenlerinin bakım, onarım ve yeniden üretimine önem vermektedir. Buna ek olarak firmamız, makinede kullanılan röle, elektronik kart ve plc gibi bileşenlerin her bir orijinalini temin ederek müşterilere gerekli hizmetleri sunmaktadır. Omron, Telemecanic, Siemens, Mitsubishi vb. Markalı elektrikli ve elektronik ürünler firmamız tarafından tedarik edilmektedir. İmalattaki amacımız güvenilir, dayanıklı ve uygun fiyatlı ürünlerle müşterilerimize en iyi hizmeti vermektir.

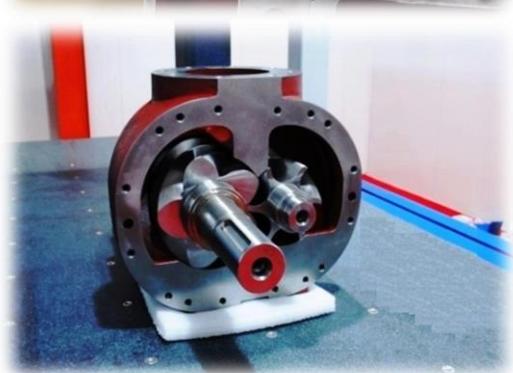

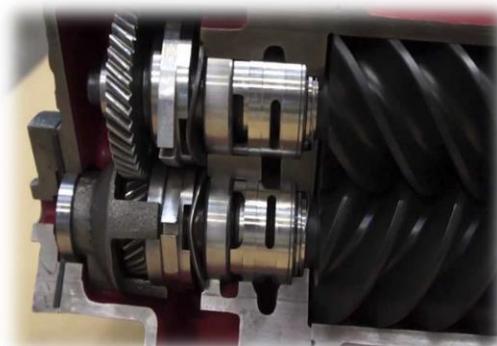

Rockser A.Ş

"Sizin İçin Çalışıyoruz"

In the electrical and electronics workshop, Rockser Inc. cares for the maintenance, repair and remanufacturing of electrical and electronic components of our customers' machines. In addition, our company provides the necessary services to the customers by supplying the individual originals of the components such as relays, electronic cards and plc used on the machine. Branded electrical and electronic products such as omron, telemecanic, Siemens, Mitsubishi and etc... are supplied by our company. Our aim in manufacturing is to provide the best service to our customers with reliable, durable and reasonably priced products.

Rockser Inc

"We Work For You"

Rockser A.Ş Kompresör atölyesinde müşterilerimizin kompresörünün yedek parçalarının, hidrolik, elektrikli ve elektronik bileşenlerinin bakım, onarım ve yeniden üretimine önem vermektedir. Ayrıca firmamız Atlas Copco, İngersoll Rand, Airman ve diğer vidalı ve pistonlu kompresör müşterilerine gerekli hizmetleri ve yedek parçaları sunmaktadır.

İmalattaki amacımız güvenilir, dayanıklı ve uygun fiyatlı ürünlerle müşterilerimize en iyi hizmeti vermektir.

Rockser A.Ş

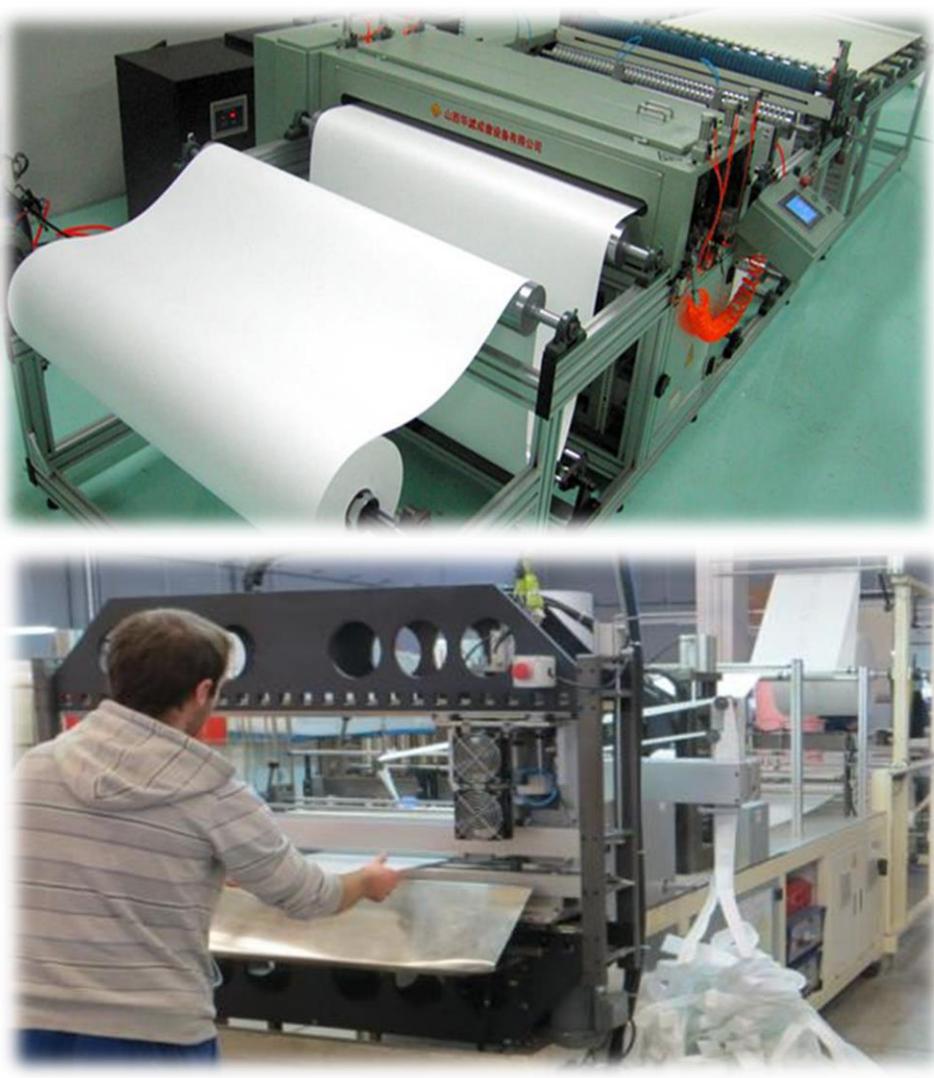

"Sizin İçin Çalışıyoruz"

In the Compressor workshop, Rockser Inc. cares for the maintenance, repair and remanufacturing of spare parts, hydraulic, electrical and electronic components of our customers' compressor. In addition, our company provides the necessary services and spare parts to the customers Atlas copco,Ingersollrand ,Airman and other screw and piston compressor.

Our aim in manufacturing is to provide the best service to our customers with reliable, durable and reasonably priced products.

Rockser Inc

"We Work For You"

Rockser A.Ş filtre atölyesinde, hidrolik filtreler, yüksek basınçlı filtreler, toz filtreleri, ayırcı filtreler, motor ve kompresör hava iç ve dış filtreleri, dönüş filtreleri, klima ve havalandırma filtreleri ve Cat, Donaldson, Fleetguard, Fil, Man gibi markaların satışını üretir. . Filtre üretim süreci, filtrasyon kâğıdı, yüzey alanı, geçirgenlik ve basınç kriterleri dikkate alınarak gerçekleştirilir. Hidrolik Delici makinelerinin yanı sıra özel çalışma koşullarına sahip tasarım filtrelerimizde de üretim yapıyoruz. İmalattaki amacımız güvenilir, dayanıklı ve uygun fiyatlı ürünlerle müşterilerimize en iyi hizmeti vermektedir.

Rockser A.Ş

“Sizin İçin Çalışıyoruz”

Rockser filter manufactures hydraulic filters, high pressure filters, dust filters, separator filters, motor and compressor air inner and outer filters, return filters, air conditioning and ventilation filters as well as sales of brands such as Cat, Donaldson, Fleedguard, Fil, Man . The filter production process is carried out by taking into consideration the filtration paper, surface area, permeability and pressure criteria. We also have production in our design filters with special working conditions besides the drill machines. Our aim in manufacturing is to provide the best service to our customers with reliable, durable and reasonably priced products

Save The World

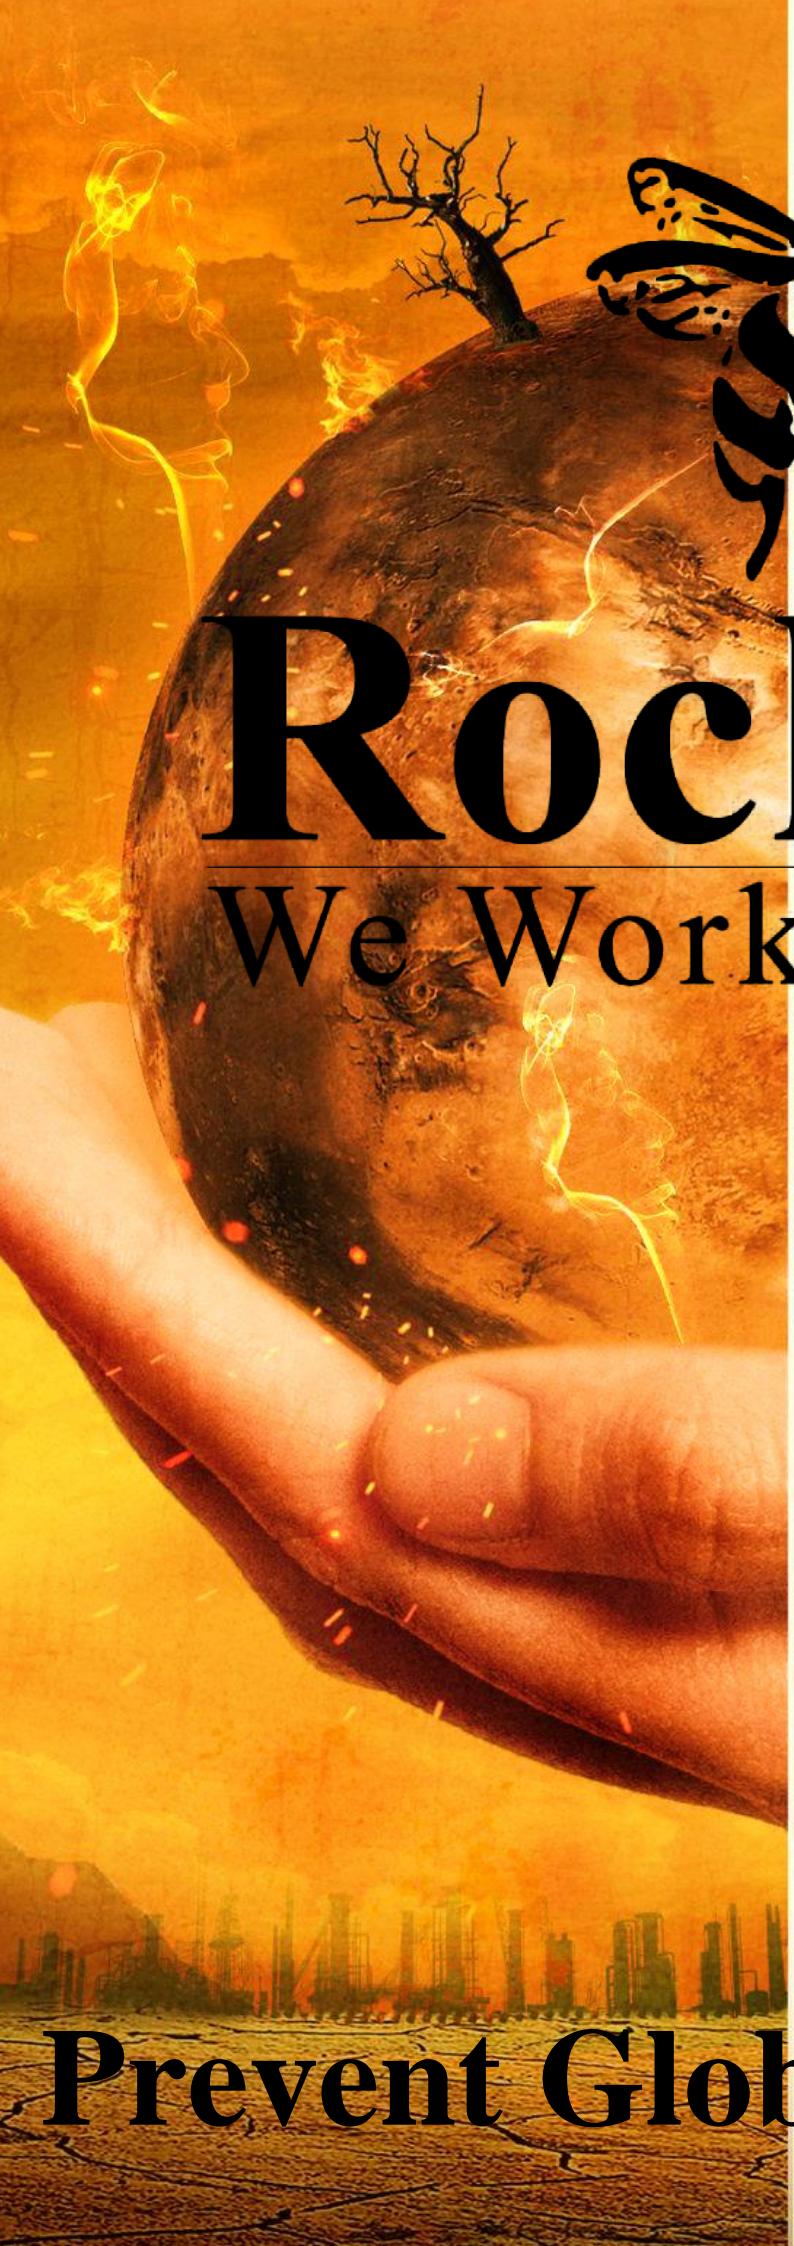

Rockser

We Work For You

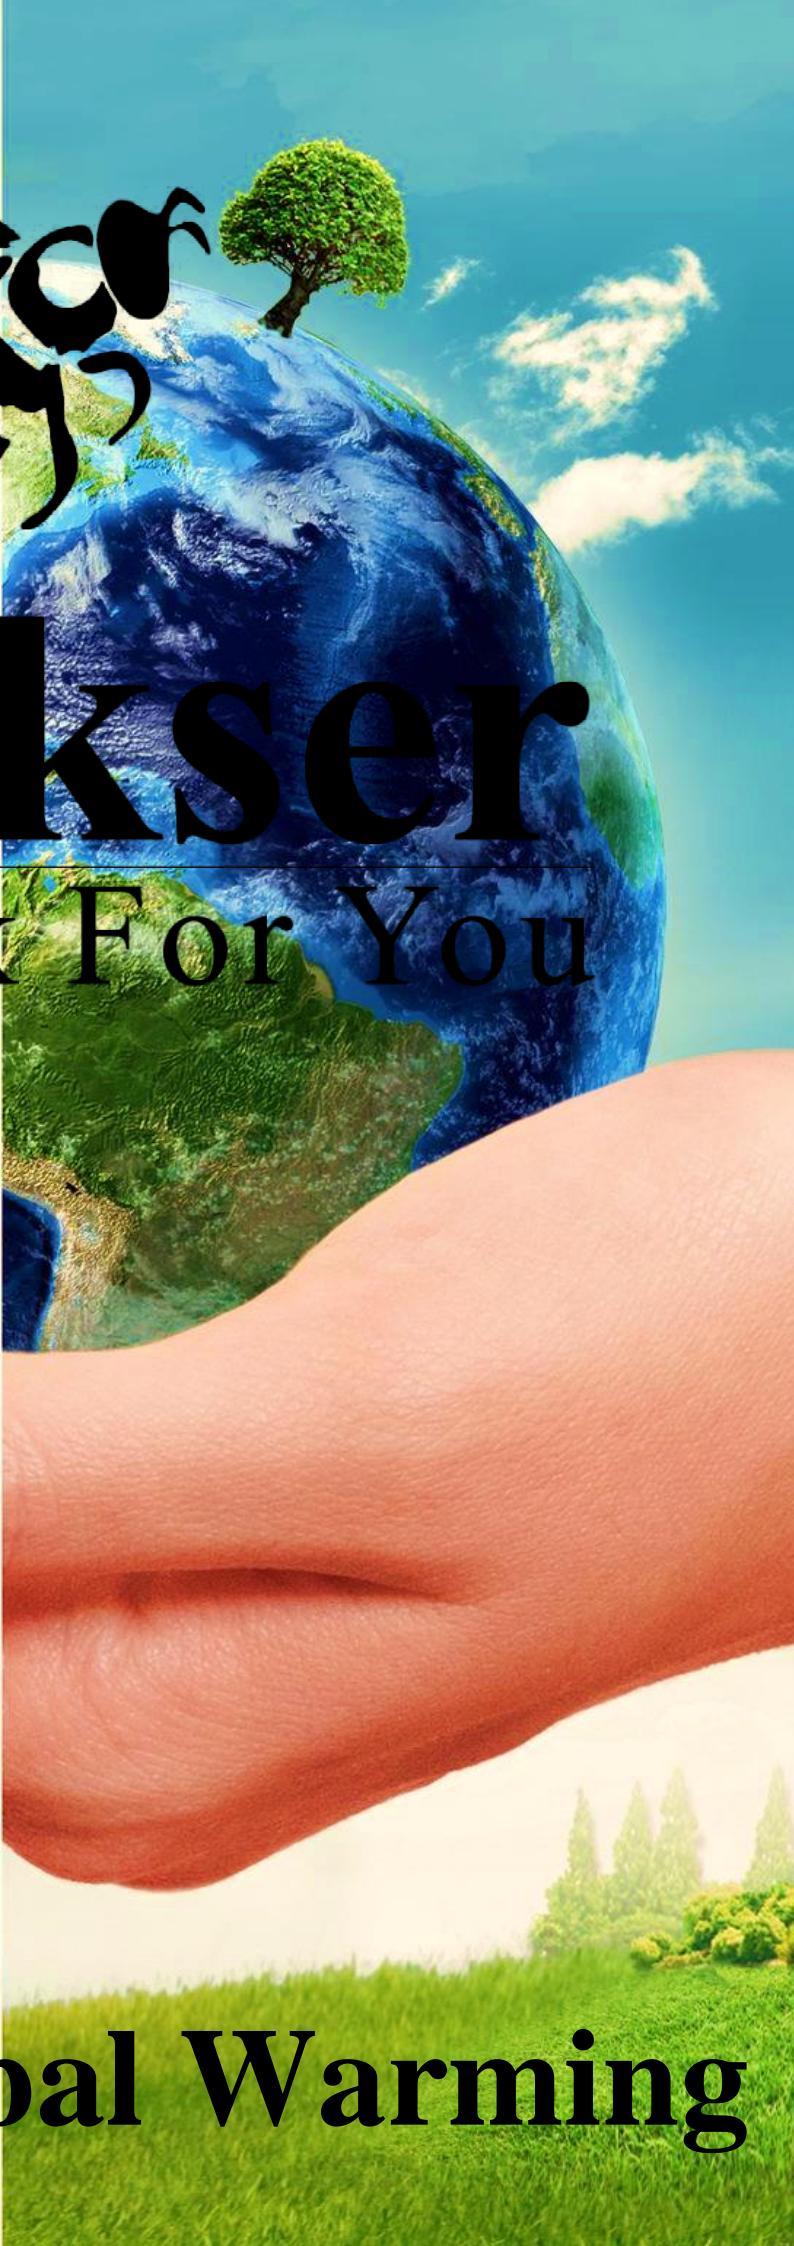

A close-up photograph of a person's hand, palm facing up, cradling a small, young tree. The tree is surrounded by a tuft of vibrant green grass. The hand is positioned in the lower right quadrant of the frame, with the fingers supporting the trunk and the thumb resting near the base.

Save The Trees

A hand holds a globe that is engulfed in flames and smoke, symbolizing environmental destruction.

Rockser

We Work For You

A hand holds a globe that is lush with green vegetation and blue oceans, symbolizing a healthy environment.

Prevent Global Warming
